

Remembering

In memory of... David DelloRusso

David DelloRusso, age 41, passed away on December 18, 2009 after collapsing here at work the previous day. David was our General Manager. He leaves behind his wife Mary, and his two children, Carman (age 12) and Isabella (age 5).

David started at S. Franklin 18 years ago as a warehouse worker. He continued to take on additional jobs and responsibilities until reaching his current position. He was well respected by the customers he took care of, the vendors he purchased from, and by the employees he managed.

Additionally, David was very active in youth activities in his town. He coached and managed recreation league teams and traveling teams three seasons a year.

David is greatly missed by his family, his community, and S. Franklin and Son.

All condolences and donations may be made directly to the DelloRusso family. Please send them to:
